## Hang Lung Group Chairman Mr Ronnie C Chan to Speak on The Future of China and Hong Kong in the Next Decade at UC RUSAL President's Forum

11-11-2014

UC RUSAL (SEHK: 486, Euronext: RUSAL/RUAL, Moscow Exchange: RUALR/RUALRS), a leading global aluminum producer, and The Hong Kong University of Science and Technology (HKUST) have invited Mr Ronnie C Chan, Chairman of Hang Lung Group Limited and its subsidiary Hang Lung Properties Limited, to speak at the UC RUSAL President's Forum on 13 November 2014.

The forum will be hosted by Prof Tony F Chan, President of HKUST. At the Forum, Mr Ronnie C Chan will share insights on "A Global Perspective: the Future of China and Hong Kong in the Next Decade".

Mr Ronnie C Chan is Chairman of Hang Lung Group Limited and its subsidiary Hang Lung Properties Limited. Both are publicly listed companies in Hong Kong, dealing in real estate development, investment and management. Mr Chan is actively involved with many non-profits, philanthropic endeavors, and educational organizations. He is Chairman of the Executive Committees of One Country Two Systems Research Institute and of Better Hong Kong Foundation. Mr Chan is also Co-Chair of the Board of Asia Society and Chairman of its Hong Kong Center, and has served on the governing or advisory bodies of several think tanks and universities, including Tsinghua University, Fudan University, University of Southern California, among others.

Founded in 1960, Hang Lung Group Limited is one of the major property developers in Hong Kong. The Group has been expanding into mainland China since 1992. Following successes in Shanghai, since 2005 Hang Lung has been investing US\$11 billion and building a number of world-class commercial complexes in major Chinese cities including Tianjin, Shenyang, Jinan, Wuxi, Dalian, Kunming and Wuhan.

The UC RUSAL President's Forum featuring Mr Ronnie C Chan will take place at 4:30 pm on 13 November (Thursday) at Citi Lecture Theater (LT-A), HKUST. For more details, please visit: <http://ias.ust.hk/ucrusal/>.
