THINK ASIA.
THINK HONG KONG.
Center of Asia

Premier gateway to China

A metropolis surrounded by natural beauty

One of the world’s safest cities

The world’s best public transport system

Perfect blend of East and West

#1 Asian destination for university studies

1 hr by train to China

40 beaches to swim, surf, and sunbathe

5 hrs by air to any Asian destination

40% land covered by country parks
The World’s #1 Young University
QS Young University Rankings 2013
Founded in 1991
PIONEERING

1st Research University in Hong Kong

Student Managed Investment Fund in Asia

Undergraduate Research Program

Massive Open Online Courses for worldwide learners in Greater China

$1 Million Entrepreneurship Competition to foster innovation and entrepreneurial spirit in HKUST community

GLOBAL

580+ Faculty, 100% PhD from world’s top universities and 30+ nationalities

Students from 50+ nationalities (8,800 undergraduates, 4,200 postgraduates)

250+ exchange partners

40% students go on exchange

750+ exchange-in students on campus
TURNING IDEAS INTO REALITY

Vision to Action

You may have brilliant ideas, but it is determination and perseverance that converts ideas into reality.

Here are just a few activities our students have organized.

Y-Talk
Current students share how they discovered their passion and encourage fellow students to cultivate curiosity, which is the key to discovering passion.

TEDxHKUST
Our students are the first university students in Hong Kong to organize TED talks.

UST Great Minds
10 Professors, 10 ideas, 10 minutes each.

Student Start-up

Thinking about starting your own business? Find your home at HKUST! We provide all the training and resources that you’ll need in start-up.

E-Academy
A community program to help university students plan, build and manage an innovative startup venture. It provides energetic, interactive and systematic training, advice and guidance to start venture from idea generation to preparation for fund raising.

“Utilize your time well to expand your capability. HKUST can take you in directions you never knew existed.”

Benoit TRAVERS, France
BBA in Operations Management (Class of 2016)
Practice Makes Perfect

Leave the classroom and get hands-on experience. That’s how you learn most effectively.

**Undergraduate Research Opportunities Program**
Our rigorous Undergraduate Research Opportunities Program (UROP) can apprentice you to one of our renowned research faculty. Moreover, students can engage in research at leading institutions elsewhere, such as Massachusetts Institute of Technology (MIT), Cambridge, CERN, or Princeton.

**Learn by Competition**
Our students love competitions. Being challenged with real-life situations, HKUST teams frequently win international case competitions.

“At UROP, I can get a lot of satisfaction knowing I am contributing to make the world a better place. Apart from learning and research, you also develop a lifelong friendship with the faculty, who supports you in every endeavor.”

**LIU Yuan, China**
Bsc in Chemistry
(Class of 2015)

Learn by Serving

We serve. We learn. We connect.

**HKUST Service Learning Day**
is an annual 4-day event when over 1,000 students, faculty, staff and their family members dedicate to community service.

**HKUST Connect**
brings together civic-minded students to initiate service learning projects that address genuine community needs, at the same time motivating and leading fellow students to serve the wider community.

“The week-long trip to Cambodia makes me realize the true meaning of doing service. When we are offering our care and love, we are actually receiving even more. I would keep expanding the influence to not only Cambodian children, but more people I could with my efforts and strength.”

**LIU Chang, Julia, China**
BBA in Global Business
(Class of 2016)
ENDLESS FUN ON CAMPUS

9 UG residential halls

4,000+ hall places

1½ students live on campus

100+ student-led clubs and societies covering wide range of interests

“Welcome to the HKUST community—where everyone plays a part in bringing change and creativity to this beautiful campus!”

Elisabetta SORRENTINO, Italy

BBA (Class of 2017)
Comprehensive sports and recreational facilities, and our very own Water Sports Center right on the seafront

Diverse art scene and culture activities, with annual HKUST Summer Musical by students, alumni and staff

“Coming to HKUST is an adventure of a lifetime, and I hope you make the most of it!”

Chirag AMBEKAR, India
BEng in Electronic Engineering (Class of 2016)

“Studying here makes me more ambitious, more hard-working, and more excited about my future!”

Petar Zdravkov PETROV, Bulgaria
BSc in Global China Studies (Class of 2016)
BUILD YOUR FUTURE WITH UNLIMITED POSSIBILITIES

Take advantage of the many opportunities here. The experience and knowledge gained will definitely help you excel.

Global Experience

We are expanding our global network encompassing more than 250 exchange partners, and we plan on sending 50% of our undergraduate students on overseas exchange for at least 1 term or more, up from 40% right now.

Some of our exchange partners:

- Cambridge
- Cornell
- Columbia
- Harvard
- Princeton
- UC Berkeley
- UCLA
- MIT
- University College London
- Carnegie Mellon University
- LUND
- Purdue
- University of Pennsylvania
- University of Washington
- University of Warwick
- ETH Zurich
- University of New South Wales
- Simon Fraser University
- RWTH Aachen University
- Kyoto University
- Pohang University of Science and Technology
- Seoul National University
- Nanyang Technological University
- National University of Singapore
Internships

64%
Students participate in internship in Hong Kong, China and overseas

70%
Students found internship experience benefited them

“Starting a business is like a science experiment – you identify a problem, construct a hypothesis, and you experiment with different possible solutions.”

Francis KWOK, Co-Founder and CEO, RADICA Systems Limited
BSc in Physics (Class of 1998)

HKUST’s Career Center was voted by students as
The Best Career Center
in Hong Kong in 2013.

“Through trials and tribulations, DJI Phantom – an unmanned helicopter can accomplish difficult aviation tasks by just using your fingers.”

Wang Tao, Founder and CEO, DJI Innovations
BEng in Electrical Engineering (Class of 2005)

“The Asian Economy will continue to enjoy steadfast growth and this is the perfect time to jump in. Do something unconventional but top-notch, and you will find the outcomes most rewarding.”

Sagar Nilesh SHAH, Technology Analyst Application Developer, Credit Suisse
BEng in Computer Science (Class of 2012)
MULTIPLE PATHWAYS

We have 4 Schools and an Interdisciplinary Programs Office offering 35 undergraduate degree programs.
Broad-based Curriculum
Our curriculum consists of four components, giving you a solid and liberal education in your chosen area of specialty.

University Common Core
With more than 250 courses, the Common Core Program nurtures students through the study of arts, humanities and cultural studies and aims to develop students as intellectuals. You learn to appreciate and respect cultural diversities, follow your heart and aspirations, serve our communities, and take the lead to advance social justice and the well-being of mankind.

Flexible Combinations
Over 1,000 program combinations

- Single Major
- Double Major(s)
- Major(s) with Minor(s)
- Dual Degree(s)
CREATE YOUR OWN PROGRAM COMBINATION

Step 1:
Enter into one of the 4 Schools

Step 2:
Choose your desirable major within your School or one of the interdisciplinary programs.

- Environmental Sustainability and Management
- Information Technology
- Technology Management
- Design
- Business
- China Studies
- Humanities
- Liberal Studies
- Social Science
We welcome applications from students of diverse education background. To be admitted to HKUST undergraduate programs, you should meet the following requirements:

### General Admission Requirements

| American Patterned System (SAT/AP) | » Graduation from High School; and  
|                                   | » SAT Reasoning Test with a minimum combined score of 1,800 in one sitting or  
|                                   | » SAT Subject Tests, each with a minimum score of 600; or College Board  
|                                   | » Advanced Placement in three subjects, each with a minimum score of 3  
| British Patterned System (GCEAL/IAL) | » Passes in at least three AL subjects in the GCEAL/IAL examinations; or  
| Applicants may present Cambridge Pre-U Principal courses in place of GCEAL/IAL subjects | » Cambridge Pre-U Diploma; or  
| | » BTEC Extended Diploma  
| International Baccalaureate | » IB Diploma  
| Other Qualifications | » Please refer to our website for details  

### School-Specified Requirements

| School of Science | » One Senior Level subject from Physics, Chemistry, Biology, Mathematics  
| School of Engineering | » Senior Level Mathematics, and one Senior Level subject from Physics, Chemistry, Biology, Computer Studies, Statistics  
| School of Business and Management | » No specific subject requirements  
| School of Humanities and Social Science | » No specific subject requirements  

### English Language Admission Requirements

| IELTS | » Overall band of 6.0 or above  
| TOEFL | » Internet-based test: 80 or above  
| SAT Reasoning Test | » Essay score of 8 or above  
| IGCSE/GCSE/GCE O-Level English | » C or above  
| GCE AS or A-Level English | » E or above  
| International Baccalaureate | » English A: 4 or above  
|                                   | » English B (Higher Level): 4 or above  
|                                   | » English B (Standard Level): 5 or above  
| Other English Language Qualifications | » Please refer to our website for details  

### Advanced Credits

Students holding certain qualifications, such as IB Diploma and GCEAL/IAL, may be eligible for advanced credits granted at entry. On average, students with international qualifications can get 16 advanced credits. For more details, please refer to arr.ust.hk/ust_actoe
HOW TO APPLY

Your application should include:

» Completed online application form, including personal statement
» Transcripts and public examination result certificates (e.g. SAT score sheet, etc.)
» School reports from grade 10 onwards
» Certificates and proofs for significant prizes and/or awards
» Proof of English language proficiency (e.g. IELTS, TOEFL, etc.)
» Copy of national ID card or travel document
» Academic reference
» Predicted grade report (if available)
» Application fee of HKD450 (~USD58)

Scholarships

We award various scholarships to outstanding students on competitive merit basis. These awards may be one-off or renewable, full or partial tuition waivers. You will not need to submit a separate scholarship application and will automatically be considered for scholarship when we review your application for admission. Normally, you will be notified of our scholarship decision together with the admission offer. For more details about our available scholarships, please refer to: http://sfao.ust.hk/scholarships/
