## Kellogg-HKUST EMBA Ranks Top Spot in QS Global Rankings

17-04-2019

The Kellogg-HKUST Executive MBA (EMBA) Program is ranked the top in the world in the latest Quacquarelli Symonds (QS) Global EMBA Rankings 2019. For the third time, QS profiles the world's top EMBA programs, including a separate chart for the best joint EMBA programs offered as partnerships across more than one school. The Kellogg-HKUST EMBA has not only ranked the best joint EMBA program for the second time in three years, but also scored a perfect 100 in two of the five indicators used to compile the ranking, namely "employer reputation" and "career outcomes".

Launched in 1998, the Kellogg-HKUST EMBA is the first joint EMBA program in Asia and has maintained its leading position for over two decades. In addition to the latest QS Rankings, the Program made a record-setting achievement last year by topping the Financial Times Global EMBA Rankings for the ninth time.

This repeated recognition is a testament to the firm commitment to excellence upheld by the unique East-West partnership between the HKUST Business School and the Kellogg School of Management at Northwestern University.
